

MILLERHOLZ®

KEEPING
YOUR CUSTOMERS
SAFE & HAPPY!

From the urban hustle and bustle of city living to the tranquil beauty of nature, Millerholz has something for everyone. We offer an enthralling collection of solutions that blend seamlessly into any setting.

WHY ARE WE THE TRUSTED SOLUTION?

Millerholz Solutions, headquartered in Singapore, is rapidly expanding its presence throughout the APAC region. Known for our low-maintenance, high-quality products, we are paving the way to becoming the leading and most trusted provider of sustainable flooring, fences, cladding, and decking in South Asia.

Our flooring is perfect for residential homes, hotels, and resorts. It offers a vibrant, cosmopolitan style and sophistication. With subtle textures and refined colors, our products accentuate the timeless appeal of natural wood.

MODERN INTERIOR CASTELLATED CLADDING

An elegant, stylish, and safe solution to your interior design needs, this unique cladding solution is created with the latest technology to provide a stylish and distinctive look. Our cladding is made with safe and environmentally friendly materials, and it is UV and stain resistant, making it a great choice for both residential and commercial use. Our cladding is also mould and pest resistant, and it can be installed both vertically and horizontally. And to top it all off, we offer a Lifetime Residential and Limited Commercial Warranty. So, for customers looking to give their home a more modern look, or if they are looking for a stylish and secure cladding solution for their business, our Castellated Cladding is a perfect choice.
